LA JOYA DE MIAMI

JEM es una joya de la arquitectura moderna que transformará el urbanismo de Miami y cambiará su estilo de vida. Su elegancia, integridad, precisión, servicio y la variedad de sus espacios—desde la porte-cochère privada hasta el exclusivo JEM Club — son insuperables.

Su exclusiva colección de residencias, cada una de ellas cuidadosamente diseñada, ofrece imponentes vistas llenas de luz y amplitud. La ubicación de JEM en Miami Worldcenter convierte al área en un centro internacional digno de su ambicioso nombre.

EL VECINDARIO

An aerial night-time rendering of the Miami Worldcenter development. The image shows a dense cluster of modern skyscrapers with illuminated facades and windows. A prominent feature is a large, circular building with a dark, curved roof. The surrounding area includes streets with light trails from traffic, smaller commercial buildings, and some green spaces. The overall scene is a vibrant, futuristic cityscape.

MIAMI
WORLD CENTER

El componente comercial de alta frecuencia en Miami Worldcenter, impulsado por el estilo de vida de los residentes, es clave en el plan maestro de este complejo de 27 acres. Un paseo comercial al aire libre recorre de norte a sur, desde Northeast 10th St. hasta Northeast 7th St. y entre Northeast 1st y 2nd Ave. Una gran plaza pública rodeada de tiendas y restaurantes creará un punto de encuentro importante y un lugar para eventos al aire libre.
